

Engineering Test Institute, Public Enterprise, Brno, Czech Republic
Notified Body identification number 1015

EC CERTIFICATE

according to Directive 93/42/EEC (medical devices)

Number **E-30-00069-12**

Owner of certificate - manufacturer SMT Schilling Metalltechnik GmbH
Griesweg 33, D-7857 Mühlheim
Germany

Products Non-active orthopaedic implants (Class IIb)

Type designation Bone plates, Bone wires, Interspinal traction implant
product specification is stated on 2nd page

Basis of certificate Final Report No. 30-11521 dated 2012-02-15

Assessment of full quality assurance system pursuant to Annex II (excluding Section 4) to Directive 93/42/EEC, as amended, has been carried out in connection with the above-mentioned medical devices. Engineering Test Institute certifies hereby that the implemented full quality assurance system ensures that the above-mentioned medical devices correspond with provisions of this Directive in each stage, i.e. from their design to output control. The approved quality system is subject to surveillance by a Notified Body pursuant to Section 5 of Annex II to Directive 93/42/EEC. **The EC certificate is valid till 2016-11-22.**
